In a landmark diplomatic development, the State of Israel and the Republic of Lebanon signed a trilateral framework agreement with the United States on June 26, 2026. The signing ceremony, held at the U.S. State Department in Washington D.C. and overseen by Secretary of State Marco Rubio, marks the first formal step toward ending decades of hostility and months of intense conflict between the two nations.

Israel and Lebanon have signed an initial US-mediated framework agreement in Washington aimed at ending months of fighting involving Hezbollah. US Secretary of State Marco Rubio called the deal an important first step, while Israeli Prime Minister Benjamin Netanyahu said Israeli forces could remain in southern Lebanon until Hezbollah disarms. The agreement marks the beginning of what both sides acknowledged will be a difficult implementation process.

Daily prayer (via plough)

Lord our God, we lift our hearts to you, for you have given great promises to those who fear you. Let your Word strengthen us in faith, patience, and hope. Be with all those who call upon you, pleading for help in our time. For these times must work for our good, and in spite of sin, death, and all evil we can find joy in what you are doing. We call to you, O Lord our God. Let your hand be revealed, that something may be seen besides men's striving and the efforts of their hands. Let the work of your hand be visible to many, to all peoples on this earth. May your name be honored, O Lord our God, your kingdom come, and your will be done on earth as in heaven. Amen.

MARCOLETA WARNS AGAINST RUSHING TO BLAME VIDEO GAMES FOR TACLOBAN SHOOTING

Senator Rodante Marcoleta has cautioned against quickly pinning the d3adly Tacloban City school shooting on video games, saying some of his Senate colleagues reached that conclusion without first studying the circumstances of the June 22 incident.

"Some of my colleagues in the Senate, they're quick to make a decision, quick to conclude that video games were to blame," Marcoleta said on his program "Sa Ganang Mamamayan." He stressed that officials should weigh the facts before assigning blame, warning that hasty conclusions could unfairly harm everyone connected to whatever is identified as the cause.

Though he named no one, his remarks followed Senator Risa Hontiveros' call for a Senate inquiry into the shooting, where she intended to question GoreBox developer Felix Filip on the game's age safeguards, content moderation, and the possible exposure of children to harmful online communities.

[Trigger Warning: school shooting, gun violence, death]

The parents of 14-year-old Ayessha Nicole Dazo, one of the three students killed in the June 22 shooting at San Jose National High School, are urging authorities to include the 14-year-old suspect in the criminal complaint, insisting that he should also be held accountable for the attack that also wounded at least 20 others.

uhmm hello kaayo Senator Risa Hontiveros mr chair magandang umaga @followers

2026 Government:

Any developer or online company that wants to operate here, profit from Filipino users, and reach Filipino children must respect our laws and our institutions.
Sen. Risa Hontiveros

'Yong online harm is one thing pero if it translates to offline harms gaya no'ng nangyari sa Tacloban, kailangang mapigilan kaagad.

They were radicalized using the game, dito sila nagpa-practice... Nasasanay ka na masanay do'n sa goriness, do'n sa pagiging masyadong bayolente... There's definitely a correlation between the game and the actions put out by these children.

PHILIPPINE SERVER PATCH NOTES

Teen saved friends thanks to Counter Strike
Although first-person shooter games are often mentione as the cause of various tragedies, such as real-life shootings, it turns out that the skills acquired in them ca save lives. This was the case for Jose Darwin Graciano – 12-year-old Filipino living in Mandaue.

The boy, along with his friends, like kids at that age, was playing on the street. At one point, someone in the group found a few oddly shaped objects. One of Jose's friends was about to pick up these items and use them in play when Graciano warned him.

As it turned out, the 12-year-old recognized among the found items... a real grenade! The group quickly notified adults and the police, who confiscated and secured the dangerous explosive materials.

When asked how he knew what he found, Jose explained that it was all thanks to his favourite game – Counter Strike, where he had the opportunity to closely examine various grenades on multiple occasions.

If not for this popular FPS and the boy's fondness for this game, it's scary to think what could have happened...

Thousands of Catholics gathered at the National Shrine of Our Mother of Perpetual Help in Baclaran to celebrate the Feast of Our Mother of Perpetual Help on Sunday, June 28, 2026.

Several faithfuls offered prayers of thanksgiving for the graces they have received through Mary's intercession.

One of the highlights of the celebration was the concelebrated Eucharistic Celebration, presided over by Most Rev. Adolfo Tito C. Yllana, D.D., Apostolic Nuncio Emeritus to Israel. Following the Mass, many Catholics joined the historic procession of the revered icon of Our Mother of Perpetual Help.

The only problem in the Senate is, as again, 2/3 would be required to convict.
So in this particular case 2/3, it will be 24, not existing 23
The Senate will need 16 to convict.
In other words since there are now 23 the vote of 7 would be enough for acquittal.

OPINION: Last week, the nation was shaken when two minors, aged 15 and 14, armed with hand... more

OPINION
Tacloban deserves justice, not Robin's dangerous simplicity
Under our laws, minors who commit crimes, especially heinous ones, can be held accountable. Children in conflict with the law aged 15 and above can be tried as adults and criminally prosecuted if they acted with discernment. Those aged 14 and below may likewise be deprived of their liberty for an indefinite period while undergoing intensive intervention and rehabilitation.
This is precisely why Senator Robin Padilla's attempt to exploit the Tacloban tragedy to resurrect his simplistic proposal to lower the age of criminal liability to 10 is both despicable and reckless. This is what confident stupidity looks like. Ignoring empirical data and expert opinion, he wants to amend the Juvenile Justice and Welfare Act so he can send children as young as 10 directly to adult prisons. Never mind that children in conflict with the law reportedly account for only about two percent of crimes nationwide or that juvenile crime has been declining for years.
The Tacloban shooting victims and their families need justice and accountability, not Robin's performative outrage and simplistic solutions. We owe them the courage to confront the real reasons that made this tragedy possible, such as irresponsible access to firearms, institutional negligence and serious gaps in the implementation of our laws.
The Duterte regime already showed us where policies borne simply of anger and fear can lead. Thousands were killed, yet illegal drugs, drug lords and syndicates remain, and communities are not safer. This horrific lesson should caution us against embracing another draconian shortcut. True justice does not surrender to anger; it rises above it.

Kiko proposed age of criminal responsibility was initially set at 12.
Miriam proposed to raise it to 18 years to fully exempt minors from criminal responsibility.
Eventually, Congress settled on 15 years as the minimum threshold for exemption, while those aged 15 years and one day up to below 18 would face criminal responsibility if they acted with discernment.

Kapag si Hesus ang inuuna, nagiging tama ang ating pagmamahal sa pamilya at sa kapwa. Mas nagkakaroon tayo ng kapayapaan at tamang direksyon sa buhay.
Ang bawat maliit na kabutihang ginagawa para kay Hesus ay may malaking halaga sa Diyos. Kahit simpleng tulong, nakikita at pinapahalagahan Niya ito.

WALANG BISA ANG DEPENSA

Iginiit ng House prosecution panel na hindi maaaring gamiting depensa ni Vice Pres. Sara Duterte na saklaw ng karapatan sa malayang pananalita o free speech bilang proteksyon sa umano'y naging pagbabanta niya laban kay Pres. Bongbong Marcos.

Ayon kay House prosecution spokesperson at Lanao del Sur 1st District Rep. Zia Alonto Adiong, dapat suriin ng Senado bilang impeachment court ang epekto ng pahayag ng bise.

"It's not actually her utterance that should be focused on. It's the effect of that utterance on the person that is being threatened," saad ni Adiong.

Inaasahang magsisimula ang impeachment trial sa Lubes, July 6.

PANOORIN: Inimbitahan daw ng mga nag-organisa ng White Ribbon Movement ang Iglesia ni Cristo pero hindi raw tiyak kung dadalo ang kanilang mga miyembro sa kilos-protesta ng iba't ibang relihiyosong grupo ngayong araw, June 28, 2026.

Samantala, marami naman daw iba pang grupo na dadalo sa martsa ngayong araw, tulad na lang ng mga Muslim, Prostestant at Born Again Christians. | via Jonathan Andal/ GMA News

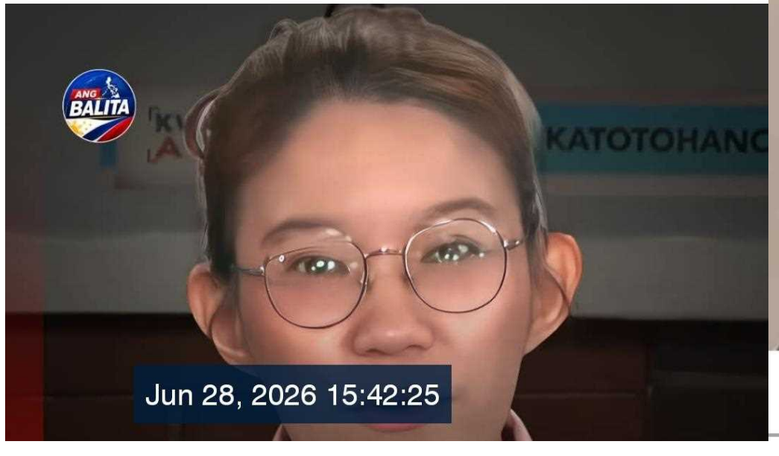
Naglabas ng pahayag ang content creator na si Lovely Granada tungkol sa mga menor de edad na nasasangkot sa mabibigat na krimen, kung saan sinabi niyang hindi lang juvenile justice law ang dapat sisihin sa ganitong problema.

Sa kaniyang video, diretsahang binanggit ni Granada sina Robin Padilla, Kiko Barzaga, at Duterte habang kinukuwestiyon ang mga taong pumapalakpak umano sa kanila. Aniya, “Maraming factors kung bakit ang mga kabataan ay nagiging marahas, pero kung ang mga tulad ni Robin Padilla or Kiko Barzaga and Duterte and gang ang pinapalakpakan ninyo, naku, magtataka ka pa ba kung may mga batang be like, gusto kong maging tulad ni Robin, magaling sa b4ril4n; gusto kong maging tulad ni Duterte, m4m*mug0t din ako ng u£0 ng presidente.”

Pinuna rin ni Granada ang mga taong natutuwa umano sa r4p3 jokes, pagbabanta, pagmumur4, kawalan ng respeto sa batas, kababaihan, buhay, at maging sa Diyos. Para sa kaniya, may epekto sa kabataan ang ganitong klaseng asal kapag ito ay paulit-ulit na nakikita at naririnig sa mga public figure na hinahangaan ng maraming tao.

Aniya pa, “Baka hindi lang talaga batas ang problema. Sisihin ang mga sarili kung isa kayo sa mga sumasaludo at pumapalakpak sa kultura ng karahasan na siyang pinapamana sa kabataan.” Giit ni Granada, nahuhulma ang prinsipyo, desisyon, at kilos ng mga kabataan sa mga bagay na nakikita at naririnig nila sa paligid.



Lovely Granada, isinisi kay Duterte, Robin at Kiko Barzaga kung bakit pabata ng pabata ang gumagawa ng krimen sa Bansa

BIGGEST IN SOUTHEAST ASIA 🏳️‍🌈

Reports state that around 300,000 people went to UP Diliman in Quezon City for the yearly Love Laban Pride Festival, which organizers continuously name as the largest annual Pride event in Southeast Asia, surpassing even Pride events in Thailand where same-sex marriage is legal.

Seen in these photos is the vicinity of only one of four stages scattered across the UP campus yesterday; only one stage was featured in previous years' Pride PH festivals.

The number does not include attendees at other Pride events by different organizers yesterday in other cities and regions.

Among the many calls is the passage of a law legalizing same-sex marriage by LGBT-embracing religious denominations and same-sex civil unions.

IMPORTANT REMINDER: TO DELIBERATELY MISS SUNDAY MASS WITHOUT A SERIOUS REASON IS A MORTAL SIN.

For Catholics, participating in the Holy Mass every Sunday and on Holy Days of Obligation is not simply a good habit—it is a sacred obligation. This duty is rooted in the Third Commandment: "Remember the Sabbath day, to keep it holy" (Exodus 20:8–11), and fulfilled in the celebration of the Lord's Day, Sunday, the day of Christ's Resurrection (John 20:1; Acts 20:7; Revelation 1:10).

The Catechism of the Catholic Church teaches that "the Sunday Eucharist is the foundation and confirmation of all Christian practice." Therefore, the faithful are obliged to participate in the Eucharist on Sundays and Holy Days of Obligation unless prevented by a serious reason, such as illness or the care of infants (CCC 2181–2182).

Likewise, Canon Law states: "On Sundays and other holy days of obligation, the faithful are obliged to participate in the Mass" (Canon 1247). Knowingly and freely choosing to miss Sunday Mass without a grave reason is considered a mortal sin because it involves neglecting a serious obligation owed to God.

As St. John Paul II beautifully wrote, "Sunday is the day which is at the heart of the Church's life" (Dies Domini, 4). Every Mass is a participation in Christ's one saving sacrifice and a foretaste of the heavenly banquet (CCC 1326, 1407).

May we never take the gift of the Holy Eucharist for granted. Whenever we are able, let us honor the Lord's Day by faithfully attending Holy Mass and placing God first in our lives.

ON THE REPORTED PARTICIPATION OF RABID DDS PERSONALITIES IN THE WHITE RIBBON MARCH
Bagong Alyansang Makabayan is ready to work with all those who are pursuing accountability against those who use their power and influence to steal with impunity.
We are part of the White Ribbon March which demands not just accountability but also an end to the pork barrel system, political dynasties and reform of the country's electoral system.
This is an initiative of multisectoral groups, coalitions, and formations which have worked hard to build a common stand against corruption and abuse of power, especially by those who occupy the highest positions in government. We highly value this unity, and we look forward to strengthening the movement to achieve bolder and systemic political reforms.
We will not be distracted by those who wish to hijack our call for good governance and use the march as a platform to whitewash the crimes of notorious plunderers and political clans.
We cannot link arms with those who consistently resort to disinformation not just to protect the corrupt but also to malign and undermine the efforts of anti-corruption advocates.
The rabid pro-Duterte personalities who expressed their intent to join the march are advised to respect the integrity of the space we are building in our struggle for truth, accountability, and justice. YOU ARE NOT WELCOME HERE.

TO PRO-DUTERTE/DDS: YOU ARE NOT WELCOME HERE❌

Sa inilabas na pahayag ng Bagong Alyansang Makabayan (BAYAN), binigyang-diin ng grupo na hindi nila pinahihintulutan ang paglahok ng mga tinawag nilang “rabid pro-Duterte personalities” sa nakatakdang White Ribbon March bukas, Linggo, Hunyo 28.

Iginiit ng grupo na hindi sila magpapadala sa mga tangkang “i-hijack” ang kanilang panawagan para sa mabuting pamamahala at gawing plataporma ang martsa upang pagtakpan umano ang mga kaso ng korapsyon ng ilang personalidad at political clans.

"The rabid pro-Duterte personalities who expressed their intent to join the march are advised to respect the integrity of the space we are building in our struggle for truth, accountability, and justice. YOU ARE NOT WELCOME HERE," dagdag pa ng grupo.

OFFICIAL STATEMENT OF
PUP KALILAYAN NEWSETTE
As the official school publication of the Polytechnic University of the Philippines (PUP) Unisan Campus, the PUP Kalilayan Newsette has always stood by its commitment to deliver honest, accurate, and timely information to the entire PUP community. We have never wavered in our duty to uphold the truth. And today, that same duty compels us to speak.
It is with deep concern and firm resolve that we issue this statement in full solidarity and unwavering support for one of our staff members who has recently become a victim of red-tagging. Red-tagging is not a trivial matter. It is a form of intimidation that endangers the safety, freedom, and dignity of an individual. It silences voices, suppresses legitimate advocacy, and violates the fundamental rights that every student, every person, is constitutionally guaranteed.
It is heartbreaking that a member of our own staff, a student who chose to serve their campus through responsible and ethical journalism must now endure such a threat. This is not acceptable. This will not be ignored.
The PUP Kalilayan Newsette is currently and thoroughly investigating this matter to determine the full extent of the incident and the appropriate course of action. We are taking all necessary steps to ensure that justice is pursued and that our staff member receives the protection and support they deserve. We will not rest until the truth is fully brought to light and proper accountability is established.
To our fellow PUPians and to every student who may have experienced or is currently experiencing red-tagging, bullying, or any form of harassment. We say this clearly and without hesitation: you are not alone, and you do not have to suffer in silence. Speak up. Seek help. Assert your rights. The law protects you. Your voice matters. Every student has the right to a safe, respectful, and fear-free environment, and no position of authority gives anyone the license to strip that away from you.
We call upon the administration of PUP Unisan Campus to take this matter with the utmost seriousness it demands, to uphold the dignity of all students, and to act swiftly and decisively in addressing this incident. The PUP Kalilayan Newsette will continue to monitor developments and will not hesitate to report on any progress or lack thereof in pursuit of transparency and accountability.
A school is only strong as it's commitment to protect its students. We stand firm in that belief.
We stand firm with our staff. And we stand firm in the pursuit of truth.

What Duterte loyalists refuse to understand is that People Power was never about protecting a surname, worshipping a dynasty, or defending a political idol. It was a nation finally saying ENOUGH—to the corruption, the fear, the abuse, and the sheer arrogance of one-man rule.

This is why their attempt to mimic it rings so hollow today.

For years, they mocked EDSA. They branded it useless, elitist, and irrelevant. They sneered at the very idea of citizens taking to the streets to demand accountability. Yet now that their own gods are cornered, they desperately try to orchestrate their own “People Power.”

The problem is fundamental: you cannot manufacture moral force out of blind devotion.

EDSA succeeded because it carried a crusade much larger than any single person. What they are trying to engineer now is merely a shield for one family’s survival.

And that is exactly why it fails. A movement needs conscience. A mob only needs a master.

MGA RABID DDS NA SASALI UMANO SA WHITE RIBBON MARCH, HINDI TATANGGAPIN NG BAYAN

Nilinaw ng Bagong Alyansang Makabayan (BAYAN) na hindi nito tinatanggap ang paglahok ng mga tinawag nitong “rabid” na tagasuporta ng mga Duterte sa White Ribbon March na isinagawa ngayong Linggo, Hunyo 28, sa EDSA.

Ayon sa grupo, layunin ng martsa na isulong ang panawagan para sa katotohanan, pananagutan at hustisya kaya’t mahalagang mapanatili ang integridad ng kilos-protesta.

Dahil dito, sinabi nilang hindi nila maaaring makiisa sa mga personalidad na, anila, ay sangkot sa pagpapakalat ng maling impormasyon at pagtatanggol sa mga tiwaling opisyal.

Sa pahayag ng BAYAN, iginiit nitong hindi maaaring maiugnay ang White Ribbon March sa mga grupong taliwas umano sa adhikain ng pagkilos.

Imee Marcos saying they were called to a special session ‘para lang sa Waling-Waling’ is not innocent confusion; it is classic propaganda: kukuha ng isang totoong item sa agenda, tatakpan ang social protection, education, healthcare, calamity, CA appointments, at iba pang priority measures, tapos ibebenta sa publiko na parang orchid exhibit ang Senado.
Hindi siya naligaw na tita sa family GC — senator siya, alam niya ang ginagawa niya, and the lie works because it is not pure fiction but half-truth dressed in eyeliner, attitude, and historical revisionism.

KC Global Media will focus on two channels, Animax and AXN. There are rumors that Animax might be the next channel to be signed off. But they'll announce it in the future.

STATEMENT OF SUPPORT
On the White Ribbon Rally Against Corruption

The Partido Demokratiko Pilipino expresses its support for the White Ribbon Rally on June 28 as a civic and moral call for truth, accountability, and justice.

PDP believes that corruption is not a partisan issue. It is a national wound. It weakens government, betrays public trust, steals from the poor, and diminishes the future of every Filipino. No public official, political faction, party, family, or interest group should be exempt from scrutiny. Where public funds have been abused, where power has been misused, and where institutions have been compromised, the demand must be clear: all those involved must be held accountable.

In this spirit, PDP supports the call of faith leaders, civil society groups, and concerned citizens for a principled, peaceful, and non-partisan stand against corruption. We must rise above political colors and remind the nation that moral accountability must not depend on political convenience.

2026-06-28 18:11:36

PDP encourages its members, leaders, and supporters who feel called to participate to do so according to their informed conscience, personal discernment, and love of country. Participation in this gathering should not be understood as submission to any partisan agenda, but as an act of civic responsibility and moral witness against corruption in all its forms.

We also affirm the vital role of faith in the moral recovery of the nation. Laws and institutions are necessary, but they are not enough. A country cannot be healed by legal mechanisms alone if the conscience of its people has been weakened, if public service has lost its moral center, and if citizens have become resigned to wrongdoing. Faith communities have an important role in awakening conscience, restoring public morality, and reminding the nation that governance must ultimately be anchored on truth, justice, compassion, and accountability before God and the people.

PDP stands with every Filipino who seeks a government worthy of public trust. We support peaceful civic action that calls for honest investigation, genuine prosecution, institutional reform, and equal accountability regardless of political affiliation.

The fight against corruption must not be selective. It must not be seasonal. It must not be weaponized only against enemies while excused among allies.

Naging isang malaking piyesta ang kapaligiran sa San Juan National High School sa lalawigan ng Batangas.

Punong-puno ng mga magulang, mag-aaral, at mga lokal na opisyal ang malaking covered court para sa isang grand turnover ceremony.

Ang sikat at bilyonaryong si Congressman Valderama ay magbibigay ng limandaang piraso ng mga high-end na tablet para sa mga mahihirap na estudyante.

Para sa marami, siya ay isang hulog ng langit, isang pulitikong may busilak na puso.

Ngunit sa likod ng entablado, iba ang timpla ni Teacher Luisa.

Isa siyang kwarenta'y limang taong gulang na la sa pagiging tahimik at dedikado sa kanyang propesyon.

2026-06-28 18:16:52

dedikado sa kanyang propesyon.

Habang nagpapalakpakan ang lahat sa labas, palihim na ipinasok ni Teacher Luisa ang lahat ng kahon ng mga tablet sa gitna ng sementadong quadrangle na malayo sa mga tao.

Bago pa man magsimula ang pamimigay, nagulantang ang buong eskwelahan nang makita ang makapal na itim na usok na pumailanlang mula sa quadrangle.

Nang magtakbuhan ang mga guwardiya, mga magulang, at ang mismong kongresista palabas ng court, tumambad sa kanila ang isang nakakagimbal na eksena.

Si Teacher Luisa ay nakatayo sa harap ng isang malaking apoy.

Hawak niya ang isang galon ng gasolina, at walang awang sinusunog ang limandaang mamahaling tablet na nagkakahalaga ng mahigit sampung milyong piso.

Natutunaw ang mga plastik, nababasag ang mga salamin, at tuluyang nawasak ang kinabukasan na inaasahan ng mga bata.

"Anong ginawa mo?! Siraulo ka ba?!" umalingawngaw ang galit na sigaw ni Congressman Valderama habang namumula ang poot.

2026-06-28 18:16:56

Congressman Valderama habang namumula ang mukha sa matinding poot.

"Ang laking pera ng ginastos ko para sa mga kabataan, tapos susunugin mo lang?! Hulihin ang baliw na 'yan!"

Walang patid ang pag-iyak at pagmumura ng mga magulang.

May mga dumura sa paanan ni Teacher Luisa.

Inakusahan siyang sakim, naiinggit sa pulitiko, at walang kwentang guro na sumisira sa pangarap ng mga mag-aaral.

Hindi nanlaban si Teacher Luisa.

Ibinaba niya ang galon, itinaas ang kanyang mga nanginginig na kamay, at hinayaang dambahin siya ng mga armadong bodyguard ng kongresista.

Marahas siyang pinosasan at kinaladkad papunta sa patrol car ng mga rumespondeng lokal na pulis, habang patuloy na umuulan ng sumpa at pang-aalipusta mula sa buong bayan.

Sa loob ng presinto, inihanda na agad ang patong-patong na kasong arson, destruction of public property, at matinding danyos laban sa guro.

Ngunit bago pa man siya maipasok sa malamig na selda, sunod-sunod na pumarada ang mga itim na SUV sa labas ng istasyon.

Pumasok ang mga seryosong ahente mula sa Cybercrime Division ng National Bureau of Investigation (NBI) kasama ang ilang forensic IT experts mula sa Maynila.

Nagtaka ang hepe ng pulisya maging si Congressman Valderama na naroon upang siguraduhing makukulong ang guro.

Dumeretso ang head agent kay Teacher Luisa at maingat na inilapag sa mesa ang isang sunog at natunaw na bahagi ng tablet na narekober nila mula sa quadrangle.

"Teacher Luisa, natanggap namin ang anonymous na email na ipinadala mo kaninang madaling araw kasama ang encrypted files. Tama ka. Nakuha namin ang ebidensya."

Nanlaki ang mga mata ni Congressman Valderama at unti-unting namutla.

"Anong ebidensya ang sinasabi ninyo?! Paninira bulyaw ng pulitiko, pilit na

itinatago ang kaba sa kanyang boses.

"Anong ebidensya ang sinasabi ninyo?! Paninira 'yan sa ari-arian ko!" bulyaw ng pulitiko, pilit na itinatago ang kaba sa kanyang boses.

Humarap ang ahente sa kongresista.

"Nang suriin namin ang mga nasunog na tablet, natuklasan namin na ang mga motherboard nito ay may naka-hinang na ilegal na microchip. Ang mga chip na ito ay may hardcoded na spyware na awtomatikong nagre-record ng video, audio, at lokasyon ng mga bata 24/7 kahit nakapatay ang gadget, at direktang nagpapadala ng mga pribadong video sa isang offshore private server na nakapangalan sa inyo, Congressman."

Tila binuhusan ng yelo ang lahat ng pulis at mga magulang na nakikinig sa labas ng presinto.

Dito na nagsalita si Teacher Luisa, kalmado ngunit may diin ang bawat salita.

"Ginamit ko ang isa sa mga tablet kagabi para i-test ang lesson plan ko. Bilang isang dating IT student bago ako naging guro, napansin ko ang kahina-hinalang hidden network traffic. Congressman, ginagamit ninyo ang mga inosenteng mag-aaral para sa inyong karumal-dumal na human trafficking at child exploitation ring online."

Pumatak ang mga luha ni Teacher Luisa habang

nagulang.

Pumatak ang mga luha ni Teacher Luisa habang nakatingin sa mga magulang.

"Kung inireport ko lang ito nang normal at ibinigay ang mga tablet sa pulis, may internet connection ang mga gadget. Isang pindot lang ng IT team ni Congressman, awtomatikong mabubura ang lahat ng spyware at wala tayong maipapakitang ebidensya. Kaya sinunog ko ang mga ito. Ang apoy ang sumira sa mga Wi-Fi antenna at baterya para hindi na nila ito ma-remote wipe, pero alam kong sapat ang tigas ng mga ROM chips sa loob para ma-extract ng NBI ang totoong code."

Bumagsak ang panga ng pulitiko.

Akma siyang tatakas palabas ng presinto ngunit mabilis siyang dinamba at pinosasan ng mga ahente ng NBI.

Nang malaman ang buong katotohanan, napaluhod sa matinding hiya, sisi, at pasasalamat ang mga magulang na kanina lamang ay nagmura sa guro.

Pinalaya si Teacher Luisa at tinanggalan ng posas.

Sa halip na makulong, pinarangalan siya bilang isang matapang na tagapagtanggol ng mga kabataan.

2026-06-28 18:17:14

Dahil sa kanyang napakatalinong sakripisyo, nabuwag ang isang malaking sindikato na matagal nang sumisira sa buhay ng mga inosente.

Napakatapang at napakatalinong desisyon!

Ipinakita ni Teacher Luisa na kung minsan, kailangan mong tanggapin ang galit ng mundo at sirain ang mga materyal na bagay para lamang mailigtas ang buhay at dignidad ng mga inosente.

Kayo, mga ka-SAY, hanggang saan ang kaya ninyong isakripisyo para protektahan ang mga kabataan laban sa mga mapang-abusong tao sa lipunan?

I-comment na ang inyong mga nakakabilib na pananaw sa ibaba at huwag kalimutang i-share ang nakaka-inspire na kwentong ito! 📱🔥❤️

ITINATAG ANG CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS

Noong June 27, 1844, pinatay ang American religious leader na si Joseph Smith. Si Smith ang founder ng Church of Jesus Christ of Latter-day Saints (LDS) o Mormonism.

Si Smith ay isinilang sa Vermont, U.S. noong December 23, 1805. Ang pagkakaiba-iba ng mga relihiyon at paniniwala ng kaniyang pamilya ang nagtulak sa kaniya upang maghanap ng ibang iglesia. Ayon sa kaniyang sariling tala, nagpakita sa kaniya ang Panginoon at si Hesus noong siya 14 na taong gulang. Pinayuhan diumano siya ng Panginoon na magtatag ng sariling iglesia. Bagama't itinuturing ng iba na isa lamang delusyon ang naranasan ni Smith, itinuring niya itong isang katotohanan. Noong September 21, 1823, sinasabing nagpakita sa kaniya ang anghel na si Moroni. Hatid ni Moroni ang mga sinaunang dokumento na naglalaman ng mga kuwento ng mga Israelitang nanirahan sa Amerika noong unang panahon. Nang mga sumunod na taon, ipinangaral ni Smith sa mga tao ang mga pahayag ni Moroni. Kaniya rin itong inilathala sa aklat na 'The Book of Mormon' noong March 1830. Noong April 6, 1830, tuluyang binuo ni Smith ang Church of Jesus Christ of Latter-Day Saints sa Fayette, New York.

Sa paglipas ng mga taon, dumami nang dumami ang mga kasapi ng iglesiang itinatag ni Smith. Nagtayo ng mga pamayanan si Smith sa Missouri, Ohio, at Illinois. Gayunman, umani ng ilang batikos ang Church of Jesus Christ of Latter-day Saints dahil sa ilang kasanayan nito, gaya ng polygamy. Mas lalong dumami ang sentimento laban sa LDS nang inanunsyo ni Smith ang kaniyang kandidatura bilang Pangulo ng U.S. noong 1844. Ilan sa mga kasapi ng Mormon ang kumalas at naglathala ng mga sulatin laban sa LDS at kay Smith. Ang mga karahasang naganap ang nagtulak kay Smith upang magpatawag ng militia sa Nauvoo, Illinois. Kinasuhan siya ng treason at conspiracy, at kalauna'y ikinulong sa Carthage city jail. Noong June 27, 1844, napatay si Smith kasama ang kapatid na si Hyrum sa loob ng kulungan.
